Ephrata, WA 98823

Serial No. 23.010

Memo

To: Honorable Board of County Commissioners
Grant County

From: Samuel Castro, C.P.O.
Director of Public Works

Date: January 11, 2023

Re: Request Approval for Cost Increase of a Budgeted Item – Landfill Hydroseeder

Request to purchase:

Solid Waste:

The hydroseeder was approved for replacement at the cost of \$155,000 in 2023. The price has increased to \$182,101.53 and this requires Board approval prior to proceeding. The increase is within the fund 401 – Solid Waste, which will be a budget transfer.

The above equipment is a fleet replacement for #0453 and is being purchased through Sourcewell Pricing ID #3986.

This equipment will be delivered and invoiced in 2023 and is part of the 2023 Equipment Expense Program.

I have reviewed the information and find it acceptable to move forward with the purchase of these items.

"To meet current and future needs, serving together with public and private entities, while fostering a respectful and successful work environment."
